COVID-19 & Cancellation Policy:

As you know, there are constant changes regarding rules, regulations and travel restrictions with the Covid-19 pandemic. We are planning to go ahead as normal, but we acknowledge that we might need to change our strategy as we get closer to the date. Please note that it is possible that campers will be required to be vaccinated to attend.

Changes to Reels in the Rockies could potentially involve:

- A date change
- A different venue
- Updated programming/structure.

Thank you for your continued support as we navigate these challenging times. Cancellations received prior to April 1st, are entitled to a full refund minus a \$150 administration fee. After April 1st, refunds will only be issued with doctor's notes or due to circumstances beyond control (ie. unable to travel due to pandemic restrictions.) Written notice of the cancellation as well as a Medical Certificate will be required. If we change the programming or local restrictions mean we can't operate, you will be entitled to a full refund. Refunds will not be issued in instances where the camper is removed from the camp program at the choice or request of the camper or camper's parent(s)/ guardian(s) OR if the camper is dismissed from camp for contravention of the camp code of conduct for behavior.

Reels in the Rockies reserves the right to cancel programs at any time in which case a full refund will be issued. If traveling from out of province/country, we highly suggest you purchase insurance for your travel in case of cancellation.
